Procedure for Evaluation of Applications for Grant, Renewal or Refusal of Extended Producer Responsibility (EPR) Authorisation under E- Waste (Management) Rules, 2016

As per Rule 13 (1) (ii), (iii) & (vi) of E - Waste (Management) Rules, 2016, CPCB has been mandated to grant, renew or refuse EPR-Authorization to Producers of the Electrical & Electronic Equipment (EEE) listed in schedule – I of the said rules.

CPCB has prepared guidelines on implementation of E-Waste (Management) Rules, 2016, which includes specific guidelines for Producers and other stakeholders for extended producer responsibility (EPR) Authorisation, channelisation, collection, storage, transportation, environmentally sound dismantling, recycling and refurbishment. The guidelines have specific chapter on EPR Plan, document requirement for the form - I of the said rules and self-declaration on RoHS compliance.

CPCB has to evaluate EPR applications received from Producers and grant EPR authorisation within 120 days of receipt of application complete in all respect. Accordingly, CPCB is required to scrutinize the information provided in the applications as per Form-1 of the rules and also in accordance to the guidelines issued by CPCB.

However, in order to ensure smooth scrutiny of applications and also to maintain transparency, there is a need to evolve in internal procedures for evaluation and grant of EPR Authorisations, wherein times-lines for each activity may be specified. An initiative was already taken to develop an online application system, which is under final stages of development.

The procedure for evaluation of applications grant / renewal / refusal of EPR Authorization is given below;

1. Grant of EPR Authorisation

(i.) Receipt of Application

The Producer can make application in Form-I either by submitting hard copies of application or by placing online application at CPCB web portal (with relevant attachments), I both cases all relevant information/documents shall be attached. The applicant is required to refer CPCB's guidelines before filling applications.

(ii.) Verification of Applications

CPCB may verify the applications and check the information provided with respect to the guidelines within 25 days of receipt of application.

The official processing the case may verify the application with following checklist;
