

E-Governance

1. CPCB – eSamiksha – A portal for resolving issues of SPCBs & CPCB

“CPCB – eSamiksha” is an online, real time monitoring system for the follow up of actions, decisions taken during meetings chaired by chairman. The necessary results and progress of works will be updated by the concerned Divisions at Head Office, Regional Directorates and State Boards. The users of CPCB-eSamiksha can mark their issues to concern Division and/ or State Boards. The Nodal Officer at concern Division or State Boards can update issues by giving comments on specific issue.

Status: This portal is used by most of the State Boards.

2. India E-Track for Industries – A platform for getting compliance status of Industries under GPI,17 categories industries and Red/Orange/Green category industries.

“India E-Track Industries” is an online portal and MIS System for GPI, 17 categories industries and Red/Orange/Green category industries. In this portal there is provision to enter data/information in numbers, update compliance and connectivity status through CSV/ MS Excel file.

Status: Information has been received from 13 State Boards. As per the request of State Boards India E-Track features has been enhanced and ROs can also upload the compiled Industrial data on the portal, after uploading, the Nodal Officer from SPCBs/PCCs verify the data uploaded by ROs and on confirmation the data submitted to CPCB. Workshop has been organized on 27/04/2017 for demonstration of new features added on this portal.

3. SPCB संयोजन - A platform for uploading success stories /Annual Reports

“SPCB संयोजन” is an online portal for State Boards to submit Annual Reports, Financial Status and Infrastructure Capabilities mandated under Acts & Rules.

Here, State Boards can share their success stories and provide information on their achievements.

Status: This portal has been launched on 27/04/2017 and a workshop was also organized for respective State Boards.

4. CPCB-समन्वय – CPCB Query System for Industries

The “CPCB-समन्वय” Portal is developed to facilitate industries to get the clarification on their queries. The representatives of industries or the industrial associations can login and get the required information or clarification on the issues related to the category of industry he/ she represents. Here Industries can also share their success stories.

5. Samvaad - CPCB Discussion Forum

Samvaad CPCB Discussion Forum is designed for participation of all technical and scientific officials at CPCB. It is an open platform for expressing technical opinion of any official on a chosen topic or subject matter under 17 categories/ GPI UNITS.

All officials are expected to post their comments or express their opinions strictly in a professional manner. This forum is not meant for personal opinions or criticism of decisions taken by CPCB/MoEF & CC/Govt. of India. The language and the contents must reflect the dignity and decorum of formal official meetings. The Forum can become a vibrant discussion hub, wherein officials share the scientific views and provide useful information/ data to the benefit of other colleagues.
