## HW Contaminated Dump Sites

The updated status of hazardous waste contaminated dump sites in the country, as reported by the SPCBs/PCCs till September 2011 is given below. The State Pollution Control Boards of Arunachal Pradesh, Chhattisgarh, Jammu & Kashmir, Himachal Pradesh, Haryana, Meghalaya, Nagaland, Mizoram, Manipur, Tripura, A & N Islands, Bihar, Lakshadweep, Jharkhand, Sikkim, Goa, Uttaranchal and Pollution Control Committees of Puducherry, Daman & Diu, Dadra and Nagar Haveli and Chandigarh have reported that there are no HW dump sites in their respective States/UTs.

State	Dump Sites*
Andhra Pradesh	Nil
Assam	-
Delhi	21
Gujarat	2
Karnataka	Nil
Kerala	4
Madhya Pradesh	4
Maharashtra	Nil
Orissa	21
Punjab	3
Rajasthan	1
Tamilnadu	2
Uttar Pradesh	5
West Bengal	13
<b>Total</b>	<b>76</b>

\* The above list is based on information received from State Pollution Control Board's/Pollution Control Committee's, and is under review. The change in number of sites from that reported earlier can be attributed to the remediation measures carried out at state level or deletion of captive sites from the list.
