Sub: In reference to guidelines for regulations and monitoring of imported Petcoke in India – reg.

Ref: CPCB letter No.IPC-II/Petcoke/CP-99/109/2021/4170 July 30, 2021

Sir,

On the above cited subject, I would like to state that **there are no Petcoke importing industries in the State of Nagaland**. Therefore, the need to develop an electronic record system for uploading of consents, registration and record of use of imported Petcoke by industrial units, and sharing of this data with the Central Pollution Control Board on a quarterly basis does not arise as of now.

This is for your kind information.

Yours faithfully,

(Shri K. Hukato Chishi IFS)
Member Secretary
