source from upstream into river Yamuna and supply water to Wazirabad reservoir. The State of Haryana has received this Application and is seriously disputing the allegations made in these Applications. During the course of proceeding, we had directed the Central Pollution Control Board to conduct inspection for ascertainment of the level of Ammonia at different points as indicated in our order dated 13<sup>th</sup> February, 2018 in pursuance thereto the Central Pollution Control Board has filed its report today, copy of which is supplied to the all the concerned.

Mr. Anil Grover, AAG of State of Haryana has also filed a rough map and statements showing raw water details of river Yamuna site with reference to the inspection report.

Mr. Phoolka, Sr. Advocate appearing on behalf of Delhi Jal Board has also filed a statement with data showing the raw water details of Yamuna site and quantity of water to be supplied and actually supplied from 26<sup>th</sup> December, 2017 till now.

It is now suggested that Chief Secretaries of State of Haryana and NCT of Delhi be directed to hold a meeting to resolve the issue relating to the pollution of the Yamuna water due the industrial and other pollutants resulting in the Ammonia level rise which has reached the alarming situation and making the water un-potable.

We may also refer to the order of the Hon'ble Supreme Court of India where the State of Haryana was directed to supply sufficient water and to keep reservoir of
