

Minutes of Review Meeting with Public Agencies & SPCBs on Delhi NCR Air Quality

November 14, 2018

A meeting with SPCBs and public agencies to review action taken on public complaints related to air pollution in Delhi NCR lodged on social media interface and Sameer App was held on November 14, 2018. Meeting was chaired by Member Secretary, CPCB. The list of participants is annexed.

Member Secretary, CPCB informed that in compliance to Hon'ble Supreme Court's order dated October 29, 2018 in the matter of W.P (s) (Civil) No. 13029/1985 M. C. Mehta vs. Union of India, CPCB created account on Twitter, Facebook to facilitate citizens to lodge complaints on air polluting activities. The agencies were asked to join these social media platforms and take action in respect of complaints concerning them. The reported complaints are forwarded to the concerned agencies for actions; however, it is observed that most of the agencies have yet to join social media platform and action taken on the complaints is also inadequate. It was reiterated that agencies must immediately create Facebook page and twitter handle and join CPCB social media platform to address updated complaints. The action taken response must also be posted on the same platform through which complaint is received.

MS CPCB directed representatives of agencies to ensure effective corrective action in all cases of air polluting activities being reported through social media interface and SAMEER App.

Meeting ended with thanks to chair.
