

**Minutes of Twenty First meeting of Task Force on Graded Response Action Plan
held on December 28, 2017 at CPCB, Delhi**

Twenty first meeting of Task Force on Graded Response Action Plan (GRAP), was convened on December 28, 2017 at Central Pollution Control Board, Delhi. Meeting was chaired by The Member Secretary, CPCB. The list of participants is annexed.

Task Force reviewed present and forecast air quality for Delhi NCR in view of IMD report of stable atmospheric conditions. IMD informed telephonically that stable atmospheric conditions are expected particularly in evening and night till 29 December 2017 and as such emergency conditions are not expected and air quality is not expected to deteriorate. The mixing height is expected to increase and also low wind speeds shall prevail.

In view of meteorology information update, task force decided that additional measures may not be required and 'very poor' category actions shall continue. In addition, the Member Secretary, CPCB directed that the weekly action taken report circulated to SPCBs for providing information on air pollution sources & weekly actions, may be submitted without further fail.
