

**Minutes of Thirty Ninth meeting of Task Force on Graded Response Action Plan held on  
December 11, 2018 at CPCB, Delhi**

Thirty Ninth meeting of Task Force on Graded Response Action Plan (GRAP), was convened on December 11, 2018, to review ambient air quality status. The meeting was chaired by the Member Secretary, CPCB. The list of participants is annexed (Annexure I).

As per IMD feedback, the air quality is likely to remain under 'severe' category for next 2 days. Situation is likely to improve after that when wind speed picks up.

In view of the above, Task Force recommended that all Municipal Corporation and other concerned agencies to carry out special drive and enforce corrective actions particularly in these areas represented by monitoring stations having AQI more than 400 on December 11, 2018 (Annexure II).

Task Force again emphasized that implementing agencies must ensure strict enforcement of GRAP and effectively deal with violations.
