

ATTENTION TO ALL REGISTERED IMPORTERS OF NEW LEAD ACID BATTERIES

Notice for non-complying importers-

As per Rule 4 of the Batteries (Management & Handling) Rules, 2001 as amended in 2010, it is mandatory for every importer to file half-yearly returns to State Pollution Control Board with a copy to CPCB.

It has been observed that many of the registered importers are not filing the half-yearly returns thereby violating the conditions given under the said Rule. Non submission of half-yearly returns may result into suspension of registration granted to their company under Rule 5 of Batteries (M&H) Rules, 2001 as amended thereof. The following importers have not filing half-yearly returns in the past 3 years.
