Patna-800 010, Bihar

Sub: Hon'ble NGT orders in the matter of OA. No. 1038/2018 (CEPI matter)-Action Plan for the polluted industrial areas identified as SPA

Sir,

This has reference to Hon'ble NGT order, dated 13.12.2018, in the matter of O.A. No. 1038/2018, directing SPCBs/PCC to finalise time bound action plans with regard to the identified polluted industrial clusters. In this regard, Bihar SPCB has submitted action plan for Hajipur Industrial cluster (categorised as SPA), vide letter Memo No. B-395, dated 24.1.2020. The Central Board after looking into the action plans, suggests the following views/recommendations for consideration and incorporation in the action plan:

- Providing details of area, industries, water bodies, common facilities available/required, actions taken for control of pollution etc.,
- Providing map showing the demarcation of boundaries, clearly, o core area and also the impact area i.e. 5 km from the boundaries of core area.
- Installation of continuous water quality monitoring stations as per the directions issued by CPCB on 26.4.2016.
- Restoration of polluted water bodies/contaminated sites.
- Carrying out source apportionment study for further planning of pollution control.

It is requested to modify the action plan accordingly, and upload the same at BPCB's website. The progress of implementation of action plan should be reviewed quarterly by the concerned Committees constituted for this purpose and the status report should be uploaded at BPCB's website.

It is further requested to provide a hard copy and also a soft copy of revised action plan to the Central Board.

Yours faithfully,

(P.K. Gupta)
