The Member Secretary

Madhya Pradesh State Pollution Control Board
Paryavaran Parisar, E-5 Arera Colony
Bhopal - 462016
Madhya Pradesh

Sub: Hon'ble NGT orders in the matter of OA. No. 1038/2018 (CEPI matter) - Action Plans for the polluted industrial areas identified as CPAs/SPAs.

Sir,

This has reference to the Hon'ble NGT order, dated 13.12.2019, in the matter of O.A. No. 1038/2018, directing SPCBs/PCCs to finalize the time bound action plans with regard to the identified polluted industrial clusters. In this regard, Madhya Pradesh SPCB has submitted action plan for Singrauli-M.P (categorized as SPA), vide letter dated 20.8.2020. The Central Pollution Control Board, after looking into the action plans, suggests the following views/recommendations for consideration and incorporation in the action plans:

- Providing constitution of the committee approved by Chief Secretary of Madhya Pradesh and signed action plans by the committee members.
- Establishing online continuous water/ambient air quality monitoring stations as per the directions issued by CPCB vide letter dated 26.4.2016 and connectivity to CPCB server.
- Providing action points for restoration of polluted water bodies/contaminated sites.
- Considering source inventory/apportionment study for further planning of pollution control.
- Carrying out surface water and groundwater samples and analysing the parameters w.r.t. chemicals of concern and heavy metals.

It is requested to modify the action plans accordingly, and upload the same at website of Madhya Pradesh SPCB. The progress of implementation of action plans should be reviewed quarterly by the concerned Committees constituted for this purpose and the progress reports should be uploaded at the website.
