**Sub: Hon'ble NGT orders in the matter of OA. No. 1038/2018 (CEPI matter) - Action Plans for the polluted industrial area identified as CPA**

Sir,

This has reference to Hon'ble NGT order, dated 13.12.2018, in the matter of O.A. No. 1038/2018, directing SPCBs/PCC to finalise time bound action plans with regard to the identified polluted industrial clusters. In this regard, UEPPCB has submitted action plan for Udyam Singh Nagar (categorised as CPA), vide letter No. UEPPCB/HO/Gen/83361/2010/1775, dated 07.02.2020. The Central Board after looking into the action plan, suggests the following views/recommendations for consideration and incorporation in the action plan:

- Installation of online continuous water quality monitoring stations as per the directions issued by CPCB on 26.4.2016
- Time target for switch over from petcock to clean fuel should be advanced.
- Time target for many important actions should be advanced.

It is requested to modify the action plan accordingly, and upload the same at UEPPCB's website. The progress of implementation of action plan should be reviewed quarterly by the concerned Committees constituted for this purpose and the status report should be uploaded at UEPPCB's website.

It is further requested to provide a hard copy and also a soft copy of revised action plan to the Central Board.

Yours faithfully,

(P.K. Gupta)
