To

The Chairman  
All SPCBs/PCCs (as per list enclosed)

**SUB: Directions under section 18(1)(b) of the Water (prevention & control of pollution) Act, 1974 and the Air (prevention & control of pollution) Act, 1981 for installation of Rendering Plant by Slaughter House**

WHEREAS, under Section 17 of the Water (Prevention & Control of Pollution) Act, 1974, and under Section 17 of the Air (Prevention & Control of Pollution) Act, 1981, one of the functions of the State Pollution Control Boards (SPCBs)/Pollution Control Committees (PCCs) is to plan a comprehensive programme for the prevention, control or abatement of pollution of streams, wells and air pollution in the State/Union territory and to secure the execution thereof; and

WHEREAS, under section 16 of the Water (Prevention and Control of Pollution) Act, 1974 and under Section 16 of the Air (Prevention & Control of Pollution) Act, 1981, one of the functions of the Central Pollution Control Board (CPCB), constituted under Water (Prevention and Control of Pollution) Act, 1974 is to coordinate activities of the SPCBs and PCCs and to provide technical assistance and guidance to SPCBs and PCCs; and

WHEREAS, the SPCBs and PCCs are empowered to stipulate standards for discharge of environmental pollutants for various categories of industries and common effluent treatment plants (CETPs), Common Hazardous waste and Biomedical waste incinerators more stringent than those notified by the Central Government under the Environmental (Protection) Act, 1986 and rules framed there under; and

WHEREAS, the SPCBs and PCCs also required to ensure installation and regular operation of the requisite pollution control facilities in the polluting industries so as to meet prescribed environmental norms; and

WHEREAS, Slaughter House is considered as polluting industrial process generating wastewater from different sources i.e. lairage area, floor cleaning, and hides storage area, which are highly polluted and should be adequately treated and discharged only after confirming to prescribed standards; and

WHEREAS, substantial quantity of solid waste is generated from Slaughter Houses in the form of animal carcasses, waste meat and inedible body parts of animal such as cartilage, bones, fat, blood, etc. This solid waste is generally disposed at isolated places which causes odour and public nuisance; and

WHEREAS, blood produced during slaughtering of animal is collected and processed in blood coagulator to convert into Meat Blood Meal (MBM); and

WHEREAS, CPCB carried out inventory of slaughter houses operating in the country. The analysis of inventory data revealed the following:

- a. Most of the Slaughter Houses in the country are operating without Rendering Plant. This condition is more prevalent in Slaughter Houses managed by the Municipalities.
- b. Most of the Slaughter Houses dumped their solid waste at isolated places i.e. Municipal dumping sites /Sanitary Landfill Sites (SLF), which causes odour, create public nuisance and unhygienic conditions.
- c. Most of the Slaughter Houses under the control of Municipal bodies are operating without consent and do not have wastewater treatment and solid waste management facilities.

Now, therefore, in exercise of the powers conferred under Section 18 (1) (b) of the Water (Prevention & Control of Pollution) Act, 1974, and Air (Prevention & Control of Pollution) Act, 1981, all SPCBs/PCCs are directed to issue following direction to the Slaughter Houses in their States/UTs:

1. To Install Rendering Plant (dry) along with blood coagulator for processing of animal waste.
2. To install well designed effluent Treatment Plant for treatment of wastewater so that the treated effluent comply with the standards prescribed under Environment (P) Act, 1986.
3. To discontinue operation of slaughter house without Consent under Water Act 1974 and Air Act, 1981.

The State Pollution Control Boards/Pollution Control Committees shall acknowledge the receipt of these directions within a week and submit detailed Action Taken Reports within two weeks thereafter.

M<sup>n</sup> 14/1/22  
(Tanmay Kumar)  
Chairman
