

SPEED POST

B-33014/40/2016-AQM 10911

September 19, 2017

The Chairman
Delhi Pollution Control Committee
4th & 5th Floor, ISBT Building,
Kashmere Gate, Delhi 110006

Sub.: Directions under Section 18 (1) (b) of The Air (Prevention and Control of Pollution) Act, 1981 regarding feedback on air polluting activities through field visits by CPCB teams during September 01, 2017 to September 08, 2017 - reg.

WHEREAS, under Section 17(1) (a) of The Air (Prevention and Control of Pollution) Act, 1981, one of the functions of SPCBs is to plan comprehensive programs for prevention, control and abatement of air pollution and to secure the execution thereof;

WHEREAS, rising air pollution in Delhi is a matter of serious concern, especially with regards to high levels of particulate matter exceeding National Ambient Air Quality Standards, 2009;

WHEREAS, historical trends indicate further increased levels of air pollution in Delhi during winter season between 15th October to 15th February;

WHEREAS, a few matches of 17th FIFA- U17 World Cup, will be held in Delhi during October 06 - 16, 2017. This being an important event with international focus, necessary actions are required to be taken for ensuring desired air quality in Delhi during the period;

WHEREAS, Diwali will be celebrated on October 19, 2017, which may add to higher air pollution levels;

WHEREAS, winter season being critical with regard to air pollution and considering FIFA and Diwali during the period, CPCB teams have been deputed to visit identified areas in Delhi during September 01, 2017- February 28, 2018 to provide feedback from ground to DPCC on air polluting activities;

WHEREAS, during field visits made between September 01 - 08, 2017, (i) Traffic congestion due to unauthorized stoppage/ parking of vehicles on road, absence of traffic personnel, waste dumped on road, slow moving vehicles on main roads, etc. (ii) Construction activities without dust control measures and dumping of building construction material on road in open (iii) Open burning of waste and solid fuel (iv) Dust re-suspension from unpaved roads, municipal waste dumps and construction & demolition waste dumps, (v) Lack of water sprinkling on roads (vi) Industrial & landfill site emission (vi) Visible emission from vehicles were observed in different parts of the city. Detailed location-specific observations are placed at Annexure-1;

WHEREAS, inspecting teams have forwarded their observations directly to DPCC on complaint numbers 9717593501 and 9717593575;

WHEREAS, a Graded Response Action Plan (GRAP) was notified for implementation of identified actions under different Air Quality Index (AQI) categories for prevention of high pollution events and dealing with air pollution emergencies, and concerned agencies are required to take actions as per the plan;

WHEREAS, now therefore, in exercise of powers under Section 18 (1) (b) of The Air (Prevention and Control of Pollution) Act, 1981, you are directed to ensure corrective actions with regard to specific air pollution sources reported in para 7 and also annexed. You are also directed to ensure that effective measures are taken to prevent recurrence of these air pollution incidences occur in identified locations in future. DPCC shall also constitute teams to receive feedback from the field and take immediate appropriate actions to prevent air pollution in Delhi.

The SPCBs shall acknowledge the receipt of this direction immediately and shall communicate the action taken report on present and subsequent weekly feedback reports from CPCB within 07 days of receipt of same.

(S.P.S Parihar)
Chairman
