Instrumentation Laboratory  
Delhi – 110032

**Office Order**

C-11012/36/32/EX/2018/WL/

February 08, 2021

**Sub : Extension of two-week time period for submission of test reports of 33<sup>rd</sup> Analytical Quality Control (AQC) exercise by all participating environmental laboratories.**

With continuation to our letter of even no., dated 07-10-2020, it has been decided to extend two-week more time period i.e. up to February 19, 2021 to all participating laboratories for their submission of test reports of 33<sup>rd</sup> Analytical quality Control (AQC) exercise for the parameter "Trace Metals".

This has been issued with the approval of competent authority, CPCB.
