

**By Email**

B-33014/7/2021/IPC-II/TPP/

Date: 23.06.2022

**Minutes of the 5th and 6th Meetings of the Task Force for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal-based power plants**

Sir,

Minutes of the 5<sup>th</sup> and 6<sup>th</sup> Meetings of the Task Force for Categorization of Power Plants as per Notification dated 31.03.2021 of Government of India regarding emission standards for thermal power plants, held under the chairmanship of Member Secretary, CPCB on 22.03.2022 at 12:30 PM and 03.06.2022 at 03:00 PM through video conferencing, respectively, along with the updated categorization list of 600 power plant units, are enclosed for information and necessary action.

SPCBs/PCCs are requested to ensure compliance of the notification dated 31.03.2021 by thermal power plants in their States/UTs.

This updated categorization list is being uploaded on CPCB website for information of the power plants. CEA is also requested to circulate the above categorization list to concerned power plants.

Yours faithfully,

*h08 23/6/2022*

[Nazimuddin]

Sc. F & DH-IPC-II

To,

Member Secretaries of SPCBs/PCCs,  
(List enclosed)

Joint Secretary (Thermal),  
Ministry of Power, Govt. of India

Director (CP Division),  
Ministry of Environment, Forest and Climate Change, Govt. of India

Secretary, Central Electricity Authority

Copy to:

Chairman of the Task Force : for information.

Members of the Task Force : for information.

**Minutes of the 5<sup>th</sup> and 6<sup>th</sup> Meetings of the Task Force for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal-based power plants**

The fifth and sixth meetings of the Task Force for categorization of power plants as per Notification 31.03.2021 were held under the chairmanship of Member Secretary, CPCB on 22.03.2022 at 12:30 PM and 03.06.2022 at 03:00 PM through video conferencing, respectively. The list of participants is attached.

After the fourth meeting of the Task Force held on 06.12.2021, the categorization list of all **596** units was circulated to all concerned i.e. CEA, SPCBs, and IPPs (through CEA and SPCBs) vide letter dated 13.12.2021. The categorization list of 596 units was also provided to MoEF&CC vide letter dated 17.12.2021 and uploaded on CPCB website.

During the fourth meeting of the Task Force held on 06.12.2021 the Task Force gave an opportunity to those 40 units which disagreed with the categorization to submit documentary proof along with Survey of India map in support of their claim through and duly verified by the concerned SPCB for any consideration. After circulation of the categorization CPCB received responses from i) 18 out of 40 units challenging distance based categorization, ii) fresh claims of 9 other units challenging distance based categorization, and iii) 8 out of 11 units challenging UA based categorization.

After the fourth meeting, CPCB also received a letter dated 15.12.2021 from CEA expressing its opinion to the Task Force for considering only 'cities' with million plus population for categorizing power plants under 'Category A' instead of considering 'UAs'.

### **Fifth Meeting**

The Task Force convened its fifth meeting on 22.03.2022 at 12:30 PM through video conferencing. The requests received from the 27 units (18+9) challenging distance based categorization and 8 units challenging UA based categorization, along with details of 5 other similar units which were also categorized considering nearby UAs, were put up before the Task Force for review. The Task Force was also apprised about the responses of concerned SPCBs (Jharkhand, Odisha, Tamilnadu, Uttar Pradesh and West Bengal) in respect of units pertaining to their States.

Regarding consideration of UAs for categorization of 13 units (8+5), the Task Force members discussed that although this criterion was decided by the Task Force considering the population or distance of UAs, it may attract legal challenges as only '*cities having million plus population*' is specified in the notification. However, the Task Force decided that the decision on this matter will be finalized by the Task Force in the next meeting.

Task Force reviewed the claims of 27 (18+9) units challenging distance based categorization (2 units of Hinduja TPP, Andhra Pradesh, 3 units of GMR Kamlanga TPS, Odisha, 15 units of TANGEDCO TPSs, Tamilnadu, 7 units of Anpara TPS, U.P) and observed that these claims for change in categorization may not be considered as they are not supported by the required supporting documents and SPCBs' recommendations. CEA desired that copies of representation of such power plants received in CPCB may be shared with CEA.

Progress on the categorization of Captive Power Plants (CPPs) was also apprised to the Task Force that D.O. letters dated 01.02.2022 were sent by Member Secretary, CPCB to the Chairpersons of 11 SPCBs having CPPs in their States/UTs, followed by a reminder email dated 04.03.2022. However, 8 SPCBs/PCCs (i.e. Jharkhand, Karnataka, Odisha, Puducherry, Rajasthan, Telangana, Uttarakhand and West Bengal) are yet to submit their categorization report.

## Sixth Meeting

The Task Force convened its sixth meeting on 03.06.2022 at 03:00 PM through video conferencing to discuss i) Review of categorization of power plants challenging/getting affected with UA based categorization, ii) Claims of power plants challenging distance based categorization, and iii) Categorization of newly commissioned 4 units which were forwarded by CEA to CPCB vide letter dated 21.01.2022.

As discussed during its fifth meeting, all the members of the Task Force agreed that although the criteria of considering UAs as million plus cities was decided by the Task Force considering the population or distance of UAs, it may attract legal challenges as only '*cities having million plus population*' is specified in the notification. Therefore, it was decided to go by the nomenclature in the notification and change the categorization of 13 (8+5) units of 6 power plants (i. NSPCL Bhilai TPS - 2 units, Chhattisgarh, ii. Tata Jojobera TPS- 2 units, iii. Adhunik TPS - 2 units, Jharkhand, iv. Bandel TPS - 3 units, v. CESC Budge-2 TPS - 3 units, and vi. Dishergarh TPS - 1 unit, West Bengal) which were earlier categorized on the basis of UAs as million plus cities (**Annexure-I: Table A**).

Regarding the claims of 27 (18+9) units challenging distance based categorization the Task Force decided that the claims for change in categorization may not be accepted as these are not supported by the required supporting documents and SPCBs' recommendations (**Annexure-I: Table B**).

Regarding the categorization of 4 newly commissioned units recommended by CEA, CPCB apprised that these 4 units (NTPC Barh TPS Unit-1 (660 MW), NTPC Nabi Nagar Unit-4 (250 MW), RRVUNL Suratgarh TPS Unit-8 (660 MW), and SEPC Tuticorin Stage-IV TPS Unit-1 (525 MW), Tamilnadu) are located at their existing units' sites which were already categorized earlier and categorization approved during 4<sup>th</sup> meeting of the Task Force. The Task Force accepted the categorization of these 4 units (**Annexure-I: Table C**). The Task Force was also apprised that with these 4 units the Task Force has so far categorized 65 units commissioned after 31.12.2016. The Task Force decided that the categorization of these 65 units may also be informed to MoEF&CC.

Regarding the categorization report of CPPs, it was apprised to the Task Force that after D.O. letters dated 01.02.2022 were sent by Member Secretary, CPCB to the Chairpersons of 11 SPCBs having CPPs in their States/UTs, follow-ups have been made by concerned SPCBs vide reminder emails dated 04.03.2022, 31.03.2022 and 25.05.2022 to expedite the task. However, 5 SPCBs/PCCs (i.e. Jharkhand, Puducherry, Rajasthan, Uttarakhand and West Bengal) are yet to submit their categorization report.

\*\*\*

**Attendance – 5<sup>th</sup> and 6<sup>th</sup> Meeting of the Task Force for Categorization of Power Plants**  
(held on 22.03.2022 at 12:30 PM and 03.06.2022 at 03:00 PM through video conference)

1. Dr. Prashant Gargava, Member Secretary, CPCB -Chairman
2. Mr. Sundeep, Director-CP, MoEF&CC/  
Mr. Ved Prakash Mishra, Director-CP, MoEF&CC -Member
3. Mr. Arvind Kumar M.K, Dy. Secy., MoP  
- representing Mr. Sanjeev Kumar Kassi, Chief Engineer, MoP -Member
4. Mr. Bikas C. Mallick, Chief Engineer, CEA (MoP) -Member
5. Mr. Nazimuddin, DH IPC-II, CPCB -Member
  
6. Dr. Sonu Singh, Sc. E, MoEF&CC
7. Mr. Praveer Kumar, Director, CEA (MoP)
8. Mr. Bhanu Joshi, Section Officer, MoP

**ANNEXURE-I****Table A: Categorization of power plants challenging/getting affected with  
UA based categorization**

<b>Sl. No.</b>	<b>Name of Power Generating Comp. (PGC)</b>	<b>TPPs and Units concerned</b>	<b>Earlier Category</b>	<b>Comments of SPCB, if any</b>	<b>Amended Category</b>
1.	Tata Power Co. Ltd.	Jojobera TPS (Units 1, 2)	A	JSPCB has requested to consider the plant's request as the population of Jamshedpur city is less than a million.	C
2.	CESC Limited	Budge-Budge TPS (Units 1, 2, 3)	A	WBPCB has requested to consider the plant's request as none of the cities having million plus population is located within 10 km radius of plant.	C
3.	West Bengal PDCL, Govt. of Bengal	Bandel TPS (Units 1, 2, 5)	A	WBPCB and Addl. Chief Secy., Govt. of Bengal have requested to consider the plant's request as none of the cities having million plus population is located within 10 km radius of plant.	C
4.	NTPC Limited	NSPCL Bhilai TPS (Units 1, 2)	A	Not applicable. (Similar plant getting affected due to categorization considering Durg- Bhilainagar UA within 10 kms radius of plant)	B (within 10 kms of Bhilai NAC)
5.	Adhunik Power & Natural Resources Ltd.	Mahadev Prasad TPP (Units 1, 2)	A	Not applicable. (Similar plant getting affected due to categorization considering Jamshedpur UA within 10 kms radius of plant)	C
6.	India Power	Dishergarh TPS (Unit 1)	A	Not applicable. (Similar plant getting affected due to categorization considering Asansol UA within 10 kms radius of plant)	B (within 10 kms of Asansol NAC)

**Table B: Details of representations of power plants challenging distance based categorization**

Sl. No.	Name of Power Generating Companies (PGCs)	TPPs and Units concerned	Cat. by Task Force	Cat. change requested by PGCs	Decision taken by Task Force (Remarks)
1.	GMR Kamlanga Energy Ltd., Odisha	GMRKEL (Units 1, 2, 3)	B	C	Claim not accepted. (OSPCB also confirmed the earlier categorization)
2.	Tamil Nadu Gen. and Dist. Corp. Ltd. (TANGEDCO)	North Chennai-I TPS (Units 1, 2, 3)	A	C	Claim not accepted. (TNPCB also confirmed the earlier categorization)
		North Chennai Expn. TPS (Units 1, 2)	A	C	
		Mettur TPS (Units 1, 2, 3, 4)	B	C	
		Mettur TPS Extn. (Unit 1)	B	C	
		Tuticorin TPS (Units 1, 2, 3, 4, 5)	B	C	
3.	Anpara TPS, UPRVUNL, Uttar Pradesh	Anpara TPS (Units 1, 2, 3, 4, 5, 6, 7)	B	C	Claim not accepted. (UPPCB also confirmed the earlier categorization)
4.	Hinduja NPCL, Andhra Pradesh	Vizag TPP (Units 1, 2)	A	C	Claim not accepted. (Plant did not submit documentary proof and recommendation of SPCB)

**Table C: Categorization of 4 newly commissioned units recommended by CEA**

S. No.	Name of Power Generating Comp. (PGCs)	TPPs and Units concerned	Unit No.	Capacity (MW)	Date of Commiss.	Category	NCR/ MPC/ NAC/ CPA within 10 km radius

NCR: National Capital Region, MPC: Million Plus Cities, NAC: Non-Attainment Cities, CPA: Critically Polluted Areas.

**Notes:**

1. Aerial distances from power plant stack to the existing boundary of relevant NCR/Million-Plus City and Non-Attainment City/ Critically Polluted Area (CPA) have been considered for categorization,
2. Dates of installation of 65 units installed after 31.12.2016 have been considered as per information provided by CEA.

**Minutes of the 1<sup>st</sup> Meeting of the Task Force (TF) for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal based power plants**

Government of India issued a Notification dated 07.12.2015 regarding emission standards for coal based power plants and subsequently issued an amendment Notification dated 31.03.2021 to allow differentiated time for compliance for power plants to be categorized into three categories – A, B and C based on their location. A Task Force was constituted vide OMs dated 08.04.2021 & 16.04.2021 of Central Pollution Control Board (CPCB) to categorize power plants into three categories based on their location as per the amendment Notification dated 31.03.2021.

First meeting of the Task Force was held on 18.05.2021 at 11.30 AM through online video conference. The meeting was chaired by the Member Secretary, CPCB and Chairman of the Task Force. The list of participants is annexed.

The Chairman welcomed the participants and requested Members to provide their views on - process for identifying units under three categories, and agencies to be involved in the exercise for IPPs and CPPs. After detailed deliberation following decisions were taken unanimously:

1. The list of power plants/units available with the CPCB will be confirmed, or updated if required, by the Central Electricity Authority (CEA) in case of Independent Power Plants (IPPs), and by State Pollution Control Boards (SPCBs) in case of Captive Power Plants (CPPs).
2. Categorization will be done for individual power generation units.
3. Stacks of the unit will be the reference point from which the distance to the existing boundary of relevant million-plus city/urban agglomeration, non-attainment city, and critically polluted area (CPA) will be assessed for the required categorization. Any stack falling within distance of 10km from above areas will be included in categorization.
4. The categorization exercise for IPPs will be done by the CEA in association with the concerned SPCBs, and the categorization exercise for CPPs will be done by the concerned SPCBs in consultation with the CEA. The boundary details of CPAs shall be provided by SPCBs.
5. The CEA and SPCBs shall complete the exercise and submit their reports to the Task Force latest by 30<sup>th</sup> June 2021. The reports shall clearly indicate name and distance of the concerned million-plus city from plant stack for Category A plants, and name and distance of the concerned non-attainment city or CPA or both from plant stack for Category B plants. A google map should also be provided for each power plant and area under consideration.

It was decided that along with the required categorization of power plants installed before 31.12.2003 and between 01.01.2004 and 31.12.2016, the categorization may also be done for such IPPs which were issued EC before 07.12.2015 but commissioned after 31.12.2016 for any future use.

**Attendance - 1<sup>st</sup> Meeting of the Task Force (TF) for Categorization of Power Plants**  
(held on 18.05.2021 at 11.30 AM through online video conference)

1. Dr. Prashant Gargava, Member Secretary, CPCB -Chairman
2. Mr. Sundeep, Director-CP, MoEF&CC -Member
3. Mr. Anand Upadhyay, Dy. Secretary, MoP,  
- representing Mr. Sanjeev Kumar Kassi, Chief Engineer, MoP -Member
4. Mr. Bikas C. Mallick, Chief Engineer, CEA (MoP) -Member
5. Mr. Nazimuddin, DH IPC-II, CPCB -Member
  
6. Dr. Sanjeev Paliwal, Sc E, IPC-II, CPCB
7. Mr. Bhanu Joshi, Section Officer, MoP

**Minutes of the 2<sup>nd</sup> Meeting of the Task Force for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal based power plants**

Second meeting of the Task Force for categorization of power plants as per the Notification dated 31.03.2021 was held on 16.08.2021 at 12 Noon through video conference. The list of participants is given below (Chairman Task Force / Member Secretary, CPCB could not attend the meeting due to last moment changes in his official tour program).

CPCB informed the Task Force about the D.O. letter dated 11.08.2021 of MoEF&CC asking for providing the categorization latest by 25.08.2021. CEA informed that categorization of power plants (IPPs) is almost complete except for 6-7 units which will also be completed within a week.

Task Force members were of the view that once the categorization exercise is completed, the draft categorization may be informed to power plants for their comments, if any, before its finalization.

CPCB informed the Task Force that categorization of CPPs by SPCBs is still awaited. Reminder letter was sent to SPCBs on 22.07.2021 to provide the report by 31.07.2020. Subsequently, directions under Section 18(1)(b) have been issued to them on 12.08.2021 to complete the categorization by 25.08.2021

**Minutes of the 3<sup>rd</sup> Meeting of the Task Force for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal based power plants**

Third meeting of the Task Force for categorization of power plants as per the Notification dated 31.03.2021 was held on 26.08.2021 at 4.00 PM through online video conference. The list of participants is given below.

The Task Force reviewed the categorisation of power plants (IPPs) received from CEA. As per CEA there are 596 power plant units which are to be categorized. Categorization of 545 units was agreed by the Task Force. List of these units is enclosed as Annexure I. Remaining 51 units as pointed out by CPCB require re-confirmation by CEA. List of these units is enclosed as Annexure II.

The Task Force decided to circulate the categorization lists to power plants through MoP & CEA and concerned SPCBs for comments, if any, by 10<sup>th</sup> September 2021

**Minutes of the 4th Meeting of the Task Force for Categorization of Power Plants as per the Notification dated 31.03.2021 of Government of India issued to amend the earlier Notification dated 07.12.2015 regarding emission standards for coal based power plants**

Fourth meeting of the Task Force for categorization of power plants as per Notification 31.03.2021 was held under chairmanship of Member Secretary, CPCB on 06.12.2021 at 03.30 PM through video conferencing. The list of participants is attached.

After the third meeting of the Task Force held on 26.08.2021, the categorization lists of all **596** units, in two parts of 545 units and 51 units were sent to SPCBs on 27.08.2021 for confirmation and also circulated to the power plants through CEA for providing comments. Comments received subsequently from some units were also sent to SPCBs on 29.09.2021.

Ten SPCBs, namely, Assam, Goa, Haryana, Himachal Pradesh, Maharashtra, Mizoram, Odisha, Punjab, Tamil Nadu, Uttar Pradesh have provided specific confirmation about categorisation, whereas, five SPCBs, namely, Andhra Pradesh, Chhattisgarh, Jharkhand and West Bengal didn't provide specific comments about categorization of power plants located in their States.

There are no comments from the power plants in respect of categorisation **541** units. Whereas, 52 units have submitted representation through CEA, of which **44** units have contested the distance of the stack of power plant from the existing boundary of the city and **8** units have contested the consideration of Urban Agglomeration (UA) as city. Besides, about **3** units CPCB has itself noticed that change in their categorization (from C to A) is required based on consideration of Urban Agglomeration (UA) as city.

The above mentioned 11 units pertain to four Urban Agglomerations (UAs) of million-plus population (2011), namely, Kolkata UA, Jamshedpur UA, Durg-Bhilainagar UA and Asansol UA. Out of these, Kolkata city itself is also of million plus population (2011)

The Task Force reviewed the initial categorisation of power plants units and decided as below:

- There are no objections from the power plants in respect of categorisation **541** units therefore their categorisation is confirmed.
- The claim of **4** units of GGSTP Ropar, Punjab has been verified through HPSPCB that their distance is more than 10 km from the nearest CPA/Non-attainment city in Himachal Pradesh therefore the change in categorisation (from B to C) is accepted.
- The categorisation of the remaining **40** units (out of above mentioned 44 units) which is done by CEA or CPCB based on the available maps of the cities is also confirmed.

However, if any of these power plants disagree with this final categorisation it can submit documentary proof along with Survey of India map in support of its claim through and duly verified by the concerned SPCB within 15 days for further consideration.

- CEA expressed that 31.03.2021 notification does not mention UAs therefore only the cities may be considered for categorisation of the 11 units. Chairman and other Members of Task Force noted that 'an urban agglomeration is a continuous urban spread constituting a town and its adjoining outgrowths' and emphasised that considering protection of health of the people, UAs needs to be considered in the spirit of the Notification. Accordingly, UAs based categorisation of the **11** units was accepted.

The Task Force decided that the above finalized categorization (enclosed) may be displayed on the website of CPCB and may also be circulated to SPCBs and power plants for information and compliance.
