35th Analytical Quality Comparison (AQC) Exercise

REGISTRATION CLOSED

Central Pollution Control Board (CPCB) is conducting 35th Analytical Quality Comparison (AQC) Exercise for Environmental Laboratories recognised under E.P. Act 1986 for pesticides compounds (in water matrix).

The Environmental Laboratories recognised under provisions of E.P. Act 1986, who have communicated their willingness to participate in the 35th AQC Exercise for pesticides compounds (in water matrix) and those which were informed to submit the AQC Participation Fee to the 'CPCB AQC Participation Fee' Bank Account have been listed for participation in the exercise.

No more inclusions in the exercise will be considered and those laboratories which have not been informed for Fee transfer shall not transfer Fee to said account or any other account.
