NOTICE

CENTRAL POLLUTION CONTROL BOARD

PARIVESH BHAWAN, EAST ARJUN NAGAR, DELHI -110032

This is in context of online data connectivity from Online Continuous Emission/Effluent Monitoring Systems (OCEMS) installed in the Industries to CPCB Server, wherein it is informed that CPCB has not Registered any Technology Provider/vendor for providing DATA CONNECTIVITY.

Industry can choose any Technology Provider, who has supplied Instruments to it or any other third party which can submit the data as per CPCB defined mechanism provided at CPCB Website on “**Online Monitoring of Industrial Emission and Effluent**”, at http://cpcb.nic.in/Online_main.php (Sr. No. 3 - **ONLINE CEMS DATA SUBMISSION PROCEDURE AT CPCB.**)

Industries issued closure notices are being attended immediately and may submit request for data connectivity to CPCB as and when they are ready with their system. These requests should be sent through Technology Providers as selected by industries along with Consent To Operate Document containing prescribed standards for the parameters being monitored online at **asudhakar.cpcb@nic.in, aditya.cpcb@nic.in, kavitha.cpcb@nic.in**. Data connectivity requests will be processed within 24 hours in working days, if found in order.
