Revoking of directions Under Section 5 of the Environment (Protection) Act, 1986

WHEREAS, Distilleries are identified as one of the 17 categories of highly polluting industries which have been discharging environmental pollutants directly or indirectly into the ambient air and water, having potential threat to cause adverse effect on the water and air quality; and

WHEREAS, for strengthening the monitoring and compliance through self regulatory mechanism, a direction under section 18 (1) (b) of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 was issued on February 05, 2014 to all the State Pollution Control Boards (SPCBs)/ Pollution Control Committees (PCCs) for installation of online emission monitoring system w.r.t. Particulate Matter parameter & online effluent monitoring system w.r.t. pH, BOD, COD, TSS, Flow parameters in 17 categories of industries including distilleries; and

WHEREAS, it was clarified that flow meter & web camera may be installed in case of units achieving zero liquid discharge (ZLD) by March 31, 2015 vide guidelines uploaded on website of CPCB dated November 7, 2014; and

WHEREAS, considering the requests/ representations received from industries/ industrial associations/ SPCBs / PCCs, an extension of time up to June 30, 2015 for installation of online monitoring systems was granted vide direction dated March 02, 2015 under section 18 (1) (b) of the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981; and

WHEREAS, in follow up to the directions issued to the SPCBs/PCCs, CPCB had issued show cause notices under section 5 of the Environment (Protection) Act, 1986 dated 24.07.2015 to 347 distilleries, including M/s Madhukar SSK Ltd., Maharashtra, hereinafter referred to as 'the unit', as to why the Unit should not be closed down if the Unit has not complied fully with the direction issued w.r.t. installation of online emission & effluent monitoring system by June 30, 2015. It was further directed to submit documentary evidence regarding status of installation and connectivity of online emission & effluent monitoring system in the format given in annexure; and

WHEREAS, in reply to the notice, it was informed that the unit is in the process of installing online monitoring system; and

WHEREAS, CPCB issued a notice on 27.06.2016 through e-mail directing to install online monitoring system within 10 days & report to CPCB, failing which direction for closing down manufacturing operations shall be issued; and

WHEREAS, it was informed by the unit vide letter dated 06.07.2016, that the unit has installed online monitoring system but the reply was incomplete and CPCB was not able to verify the connectivity of the online systems; and

WHEREAS, the Ministry of Environment & Forests, Government of India, vide notifications No. S.O. 157 (E) of 27.02.1996 and S.O. 730(E) dated 10.07.2002, has delegated the powers vested under Section 5 of the Environment (Protection) Act, 1986 (29 of 1986) to the Chairman, Central Pollution Control Board, to issue directions to any industry or any local body or any other authority for violations of the standards and rules notified under the Environment (Protection) Rules, 1986 and amendment thereof.

WHEREAS, in view of the non-compliance of the unit w.r.t installation of online monitoring devices and providing its connectivity to CPCB and in exercise of powers vested under Section 5 of the Environment (Protection) Act, 1986, CPCB had issued direction dated 11.08.2016 to close down manufacturing operation of the unit until installing required online monitoring devices and providing connectivity to CPCB; and

WHEREAS, the unit vide letter dated 21.09.2017 & has email dated 17.07.2017 has informed that the unit has installed continuous emission monitoring system, flow meters and cameras required for ZLD units and has provided connectivity of these systems to CPCB, and the same has been verified by the IT Division. **HOWEVER**, it is observed from the self certificate provided by the unit, that the unit has closed down its manufacturing operations w.e.f 03/03/2017 and has continued operations, which is non-compliance of closure direction issued by Central Pollution Control Board under section 5 of E(P) Act, 1986 dated 11.08.2016 and for which necessary legal actions, as per the relevant sections of law shall be initiated separately; and

WHEREAS, CPCB constituted a three member Committee vide office order dated 03.10.2017 having representative(s) from CPCB and MOEF&CC for examination and recommendation of the revocation of closure directions issued by CPCB; and

WHEREAS, the Committee in its meeting held on 30.10.2017 reviewed the compliance made by the unit & verified the submitted supporting documents in line with the agreed criteria and recommended that the unit may be allowed to resume its manufacturing operation with certain conditions; and

NOW THEREFORE, in view of the compliance made by the unit to the direction issued by CPCB and in exercise of powers vested under Section 5 of the Environment (Protection) Act, 1986, **the M/s Madhukar SSK Ltd., Maharashtra, is allowed to resume its manufacturing operations** subject to the following condition;

- a) Before commencement of operations, industry shall obtain valid Consent to Operate under the Water (Prevention & Control of Pollution) Act, 1974 and the Air (Prevention & Control of Pollution) Act, 1981 and Authorization under Hazardous and Other Wastes (Management and Trans-boundary Movement) Rules, 2016 from respective State Pollution Control Board and industry shall not operate under any circumstances without valid consent orders.
- b) It shall be ensured that the installed OCEMS devices are functioning properly & continuously and that data from that device are uninterruptedly transferred to CPCB. Any failure in his regard shall be rectified at the earliest.

- c) Unit shall ensure periodic calibration of the analyzers as per Standard Operating Procedure/recommendations of the supplier and submit the calibration results.
- d) Unit shall submit the adequacy assessment report of ZLD systems, including Mass & Water Balance, R.O/MEE design report and ground water monitoring report within 03 months of commencement of operations.

In case of default in compliance with the above directions or any other exigencies, CPCB will be constrained to initiate further stringent action against the Unit, in accordance with the provisions of the Environment (Protection) Act, 1986, without any further notice.
