**Sub: Directions under Section 5 of the Environment (Protection) Act, 1986 -reg.**

WHEREAS, the Automobile servicing repairing and painting industries are identified as one of the Grossly Polluting Industries which have been discharging effluents directly or indirectly on land and into water, having potential threat to cause adverse effect on land and the ambient water quality; and

WHEREAS, the Central Government has notified the standards for discharge of environmental pollutants from various categories of industries under the Environment (Protection) Act, 1986 and the rules framed thereunder; and

WHEREAS, it is obligatory on the part of industries to install and operate Effluent Treatment plant (ETP) to comply with the effluent discharge standards as notified under the Environment (Protection) Act, 1986 and the Rules framed thereunder and also to meet the consent conditions granted by State Pollution Control Board (SPCB)/ Pollution Control Committees (PCCs); and

WHEREAS, Hon'ble Supreme Court of India in the matter of Paryavaran Suraksha Samiti Vs Union of India & Others dated 22/02/2017 directed that no industry which requires "consent to operate" from the concerned Pollution Control Board, is permitted to function, unless it has a functional effluent treatment plant, which is capable to meet the prescribed norms for removing the pollutants from the effluent, before it is discharged; and

WHEREAS, a team of officers from the Central Pollution Control Board (CPCB), Delhi inspected M/s Malwa auto Sales Pvt. Ltd., G.T. Road, Kundli (herein after referred as the Unit) on May 14, 2018 to assess the adequacy of the existing pollution control measures; and

WHEREAS, the inspecting team made the following observations:

1. Effluent treatment plant was observed defunct. The dosing tanks were observed completely dried and empty.
2. The Unit was observed bypassing the untreated effluent to the soil of adjoining vacant land.
3. The bypassed effluent was observed exceeding for BOD  $49 > 30$  mg/l.

WHEREAS, in view of the above and in exercise of powers vested under Section 5 of the Environment (Protection) Act, 1986, following directions were issued to the Unit vide letter no. B-29016/04/06/IPC-I/57 dated June 29, 2018:

1. The Unit shall close all the plant operations with immediate effect.
2. The Unit shall not operate if its Effluent Treatment Plant is non-operational or inadequate to achieve the prescribed effluent discharge standards.
3. The Unit shall not bypass any effluent to the soil of adjoining vacant land.
4. The Unit shall ensure that the treated effluent be strictly disposed as per conditions of consent to operate granted by Haryana State Pollution Control Board.

WHEREAS, Unit (M/s Malwa auto Sales Pvt. Ltd., G.T. Road, Kundli, Distt. Sonapat) replied vide letter received on August 24, 2018 that the Unit has complied with all the points of direction issued by CPCB dated June 29, 2018; and

WHEREAS, Unit has submitted the undertaking for compliance on stamp paper and valid consent to operate with validity upto 31.03.2022; and

WHEREAS, CPCB constituted a Three-member committee vide office order dated 03.10.2017 having representative(s) from CPCB and MoEF&CC for examination and recommendation for revocation of the closure direction issued by CPCB; and

WHEREAS, the Three-member committee in its meeting held on 17.10.2018 examined the compliance report submitted by the Unit and recommended for revocation of closure direction with following conditions that:

1. The Unit shall submit performance assessment of the treatment system by analysis of treated effluent from expert Government Institution within 60 days from the resumption of its operation.

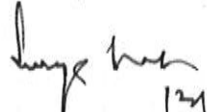

WHEREAS, unit was inspected on November 02, 2018 for verification of removal of bypass arrangement and observed that unit has removed the bypass arrangement and provided arrangements for reuse all treated waste water after collection in a tank; and

WHEREAS, the Ministry of Environment & Forests, Government of India, vide Notifications No. S. O. 157 (E) of 27.02.1996 and S. O. 730 (E) dated 10.07.2002, has delegated the powers vested under Section 5 of the Environment (Protection) Act, 1986 (29 of 1986) to the Chairman, Central Pollution Control Board, to issue directions to any industry or any local body or any other authority for violations of the standards and rules notified under the Environment (Protection) Rules, 1986 and amendment thereof.

NOW, THEREFORE, in exercise of powers vested to the Chairman, Central Pollution Control Board under Section 5 of the Environment (Protection) Act, 1986, and in view of the compliance of above directions and the affidavit produced by the Unit, the directions issued under Section 5 of the Environment (Protection) Act, 1986 to M/s Malwa auto Sales Pvt. Ltd., G.T. Road, Kundli, Distt. Sonapat vide letter dated June 29, 2018 is hereby revoked with following conditions:

1. The Unit shall submit performance assessment of the treatment system by analysis of treated effluent from expert Government Institution within 60 days from the resumption of its operation.
2. The Unit shall comply with the effluent & emission norms prescribed in the consent to operate issued by Haryana State Pollution Control Board under the Water Act, 1974 and the Air Act, 1981.

In case of non-compliance by the Unit action as deemed fit under the provisions of Environment (P) Act, 1986 shall be taken.
