DIRECTION UNDER SECTION '5' OF THE ENVIRONMENT (PROTECTION) ACT, 1986

WHEREAS, as per the us categories of industries under the Environment (Protection) Act, 1986 and the rules framed there under; and

WHEREAS, the Ministry of Environment & Forests, Govt. of India, vide notification S.O.157(E) of 27.02.1996 has delegated powers vested under Section 5 of the Environment (Protection) Act, 1986 (29 of 1986) to the Chairman, Central Pollution Control Board (CPCB), to issue direction to any industry, Municipal Corporation, Municipal Council, Cantonment Board to any local or other Authority for the violation of emission and effluent standards notified under the Environment (Protection) Rules, 1986; and

WHEREAS, it is obligatory on the part of industries to install effluent treatment plants (ETPs) to comply with the effluent discharge standards as notified under the Environment (Protection) Act, 1986 and the Rules framed thereunder and also to meet the consent conditions granted by State Pollution Control Board (SPCBs) / Pollution Control Committees (PCCs); and

WHEREAS, the Ministry of Environment, Forest & Climate Change has notified Solid Waste Management Rules (SWM), 2016, which inter-alia prescribe conditions for handling and management of solid waste; and

WHEREAS, as per Rule 19(2) of SWM Rules, 2016, the operator of the facility shall design and set up the facility as per the technical guidelines issued by the Central Pollution Control Board in this regard from time to time and the manual on solid waste management prepared by the Ministry of Urban Development; and

WHEREAS, as per Rule 19 (5) of SWM Rules, 2016, The operator of the facility shall be responsible for the safe and environmentally sound operations of the solid waste processing and or treatment facilities (as per the guidelines issued by the Central Pollution Control Board from time to time and the Manual on Municipal Solid Waste Management published by the Ministry of Urban Development and updated from time to time).

WHEREAS, the unit M/S Noble Exchange Environment Solution Pvt Ltd, Pune- Municipal Organic Waste Management facility at banner, Pune was inspected on 12.05.2017 by Regional Directorate, Vadodara and observed the followings;

1. Residential building located on its east about 50m, north side about 70m & West about 100m.
2. The plant was in operation and Segregation of Waste was being practiced. The inorganic wastes and process rejects are found lying open near conveyor belt.
3. Plant was running at 40 MT/day as per record of previous month logbook. However, plant installed capacity is 300 MT/day.
4. No fresh water is being utilized for crushing & preparation of survey
5. PMC has not provided drainage system in this area for diverting runoff water during rainy season. The unloading area of plant is having sticky layer of waste, which may lead to soak-pit during rainy season.
6. Green belt has not been developed by the plant operator.
7. Residents have made a mention about nuisance caused by foul odor emitting from the site.

NOW, THEREFORE, in view of the above and exercising the powers delegated to the **Chairman, Central Pollution Control Board (CPCB)** under section '5' of the Environment (Protection) Act, 1986, the **unit** M/S Noble Exchange Environment Solution Pvt Ltd, Pune-Municipal Organic Waste Management facility at Pune is directed to comply with the followings directions before 20th July, 2017:

- i) The unit shall ensure implementation of mitigative measures for odour management in the waste processing plant and transfer points. The plant should be run at full/operational capacity to avoid accumulation of organic wastes at the site.
- ii) The plant operator shall make arrangement to collect/treat any kind of runoff/ seepage, or wastewater generated inside the plant.
- iii) The plant operator shall comply with terms & conditions of EC granted by SEIAA and authorization granted by the MPCB.
- iv) Plant operator shall comply with the provisions of SWM Rules, 2016

In case of default in compliance with the above directions, CPCB will be constrained to initiate action against the Unit, in accordance with the provisions of the Environment (Protection) Act, 1986, without giving any further notice.
