WHEREAS, the Ministry of Environment, Forest, & Climate Change, Govt. of India, vide notification S.O.157(E) of 27.02.1996 has delegated powers vested under Section 5 of the Environment (Protection) Act, 1986 (29 of 1986) to the Chairman, Central Pollution Control Board (CPCB), to issue direction to any industry, Municipal Corporation, Municipal Council, Cantonment Board, to any local or other Authority for the violation of emission and effluent standards notified under the Environment (Protection) Rules, 1986 and other standards and norms; and

The consented production capacity is 12 T/day. The Unit was operational during the visit; and

WHEREAS, the Unit was inspected by a joint team of officials from CPCB & Haryana SPCB on 16.05.2018 and made following observations:

1. The Unit is engaged in the manufacturing of sheet using polyester yarn and chemical dyes. The consented production capacity is 12 Ton/day.
2. ETP was operational at the time of inspection.
3. The final ETP treated effluent sample analysis result showed **pH-5.99 (norms-6.0-8.5); BOD-75 mg/l (norms-30 mg/l); COD-295 mg/l (norms-250 mg/l)** and TSS-28 mg/l (norms-100 mg/l) which indicate non-compliance of notified discharge norms w.r.t pH, BOD & COD parameter.
4. As per the consent order, the unit is not permitted to discharge any effluent and the treated effluent is recycled and reused in boiler and process.

However the analysis report indicate that the treated effluent quality is not adequate to be reused in process/boiler and that the ETP provided by the unit is not functioning properly to treat the effluent to the required quality for recycle/reuse and to maintain the ZLD condition imposed by HSPCB

3. The Unit shall provide separate energy meter for ETP operation & shall maintain logbook as per the consent condition.
4. The Unit shall seek permission from CPCB before resumption of the manufacturing operation.

In case of default in compliance with the above directions, CPCB will be constrained to initiate appropriate actions against the Unit, without giving any further notice, in accordance with provisions of the Environment (Protection) Act, 1986.
