Date: 17-05-2019

To,

M/s Kanpur Texel (P) Limited,
12-B-3, Dadanagar,
Kanpur City, Uttar Pradesh

23

DIRECTION UNDER SECTION 5 OF THE ENVIRONMENT (PROTECTION) ACT, 1986

WHEREAS, the Textile, Dyeing & Bleaching industries have been identified as one the Grossly Polluting Industries (GPI) which have been discharging effluents directly or indirectly on land and into water, having potential threat to cause adverse effect on land and the ambient water quality; and

WHEREAS, there is a need to inculcate habit of self-monitoring within the industries for complying with the prescribed standards and this can be achieved by the methods like installing online effluent and emission monitoring devices; and

WHEREAS, M/s Kanpur Texel (P) Limited, 12-B-3, Dadanagar, Kanpur City, Uttar Pradesh (hereafter referred to as the 'Unit') is textile processing unit (dyeing and bleaching); and

WHEREAS, CPCB issued directions dated 04.09.2018 under section 5 of the Environment (Protection) Act, 1986 to the unit for compliance of following directions:

- (i) The unit shall resume operation and shall treat their effluent to meet the effluent discharge standards as notified under Environment (Protection) Rules, 1986.
- (ii) The unit shall ensure continuous connectivity with CPCB server.

AND WHEREAS, the unit was inspected on 24.12.18 by a team of CPCB officials and found the unit is not meeting with the prescribed effluent discharge standard w.r.t pH -9.47 (against norms of 6.5 to 8.5); TDS – 3144 mg/l (against norms of 2100 mg/l); and SAR ratio – 64.3 (against norms of 26) at ETP outlet; and

WHEREAS, CPCB issued closure direction dated 28.02.2019 under section 5 of the Environment (protection) Act, 1986 to the unit for compliance of following:

1. The unit shall immediately close down and stop all the manufacturing operations.
2. The unit shall submit self-certificate of closure of the unit in compliance of CPCB direction.
3. The unit shall provide action plan/upgradation for improvement in waste water treatment system as to achieve the prescribed standards of discharge for treated effluent.
4. The unit shall seek permission from CPCB before starting its operation after complying with the above directions.

AND WHEREAS, the unit reply dated 08.03.2019, 28.03.2019 and 04.04.2019 were examined and following observations are made:

1. The unit has submitted self-certificate that the unit has stopped all its manufacturing operations in compliance of CPCB direction w.e.f. 15.03.2019.
2. The unit has submitted ETP performance report by National Productivity Council, Kanpur that composite waste water samples (6 hours) were collected for assessing the wastewater characteristics at the inlet and outlet of ETP. As per laboratory analysis results, the treated effluent parameters are well within the prescribed effluent discharge standards and found ETP performance satisfactory; and

AND WHEREAS, CPCB constituted a three-member committee vide office order dated 27.09.2017 having representative from CPCB, MoEF &CC and NMCG for examination and recommendation for revocation of the closure direction issued by CPCB; and

WHEREAS, the three-member committee in its meeting held on 11.04.2019 examined the replies of the Unit and recommended that:

1. As per result provided by NPC, Kanpur, the unit is recommended to start their operation.
2. The unit will follow condition prescribed by CPCB regarding performance assessment.

AND NOW, THEREFORE, in exercise of powers vested under Section 5 of the Environment (Protection) Act, 1986, the following directions are being issued to the unit **M/s Kanpur Texel (P) Limited, 12-B-3, Dadanagar, Kanpur City, Uttar Pradesh** for compliance:

- (i) The unit may resume their manufacturing operation and inform CPCB.
- (ii) The unit shall submit performance assessment of the entire treatment system including analysis of treated effluent by the reputed government institution within 60 days of resumption of manufacturing operations.

In case of default in compliance with the above directions, CPCB will be constrained to initiate action without any further notice, in accordance with the provisions of the Environment (Protection) Act, 1986.
