To,

The Chairman,

M/s Reliance Industries Limited

3rd Floor, Maker Chambers IV 222,

Nariman Point, Mumbai – 400021

Sub: Direction under Section 5 of Environment (Protection) Act, 1986 for non-installation of Vapour Recovery Systems in petrol refueling stations and storage terminals-reg.

WHEREAS, clean air is a matter of right and it is necessary to take steps towards improvement of Air Quality and for protecting public health National Ambient Air Quality Standards have been prescribed for 12 pollutants viz. PM_{2.5}, PM₁₀, SO₂, NO₂, CO, Ozone, NH₃, Benzene, Benzo(a)pyrene, Pb, Ni, and As;

WHEREAS, many towns and cities, where ambient air is monitored under National Ambient Monitoring Programme, are not complying with the National Ambient Air Quality Standards, particularly with respect to particulate matter pollution, and NO₂, benzene and Ozone are becoming a matter of concern;

WHEREAS, petrol refueling stations are a major source of emissions of benzene, which is a carcinogenic compound, and the people in the vicinity of these stations including the workers engaged in the dispensing activities may potentially be at risk of benzene exposure;

WHEREAS, petroleum refueling stations are also a source of other volatile organic compounds (VOC), which are emitted from loading/unloading operations, and refueling of individual vehicles and are precursor to tropospheric ozone; therefore, requiring control of VOC emissions from such installations is an important step for improving air quality, particularly in regard to benzene and ozone.

WHEREAS, the Ministry of Environment & Forests, Government of India, vide Notification No. GSR 913 (E) dated 24.10.1989, has delegated the powers vested under Section 5 of the Environment (Protection) Act, 1986 to the Chairman, Central Pollution Control Board, to issue directions to any industry or any local body or any other authority
