**Sub: Registration on Centralized EPR Portal-reg**

Sir,

MoEF&CC has notified "Guidelines on Extended Producer Responsibility for Plastic Packaging" in schedule-II of fourth amendment of Plastic Waste Management Rules issued on February 16, 2022. As per the provision 5.1 of the Guidelines issued, "Plastic sheet or like used for packaging as well as carry bags made of compostable plastics" is covered under Category IV of the Guidelines.

In this context all the compostable packaging item manufacturers are required to fulfill Extended Producers Responsibility for waste generated due to the products introduced by them in the market.

In view of above, you are required to register on the portal within 15 days of issue of this letter in accordance with provisions of EPR Guidelines. It may further be noted that Compostable plastic manufacturer shall be covered under the "Producers" category.

Also manufacturers are required to obtain registration from CPCB, if operating in more than two states/UTs and concerned SPCB/PCC, if operating in one or two States/UTs only.

This issues with approval of competent authority.

Yours faithfully,
