

Central Pollution Control Board
Instrumentation Laboratory
Delhi – 110032

Office Order

C-11012/36/32/EX/2018/WL/

November 16, 2020

Sub : Extension of two-week time period for submission of willingness by E(P)A-recognized environmental laboratories for participation in the upcoming 33rd Analytical Quality Control (AQC) Exercise for Trace Metal Parameters.

With continuation to our letter of even no., dated 07-10-2020, it has been decided to extend two-week more time period i.e. up to 23rd November 2020 for the E(P)A- recognized environmental laboratories across the country to send their willingness and participation fee to participate the upcoming 33rd Analytical quality Control (AQC) exercise for the parameter "Trace Metals" to be held during December 2020.

This has been issued with the approval of competent authority, CPCB.
