D.O.No.Z.28015/19/2021-DM Cell
28-01-2021

Dear Sir,

Please refer to the meeting chaired by Hon'ble Speaker, Lok Sabha on 19-01-2021 regarding arrangement to be made for the Budget Session of Parliament 2021 in the context of COVID-19.

2. Pursuant to the decisions taken in the said meeting, please find enclosed the following documents:-

- i. Guidelines for Budget Session of the Parliament in view of the COVID-19 situation.
- ii. Guidelines for officers attending Parliament for Budget Session.
- iii. Dos and Don'ts for COVID-19 *for parliamentarians*

3. I request you to kindly disseminate all of the above as appropriate.

With warm regards,

Yours sincerely,

(Arti Ahuja)

Shri R.S.Shukla,
Secretary,
Ministry of Parliamentary Affairs,
Parliament House,
New Delhi.

**ARRANGEMENT FOR PARLIAMENT OPENING FOR BUDGET SESSION IN VIEW OF
COVID-19 SITUATION.**

(i) Generic preventive measures to be followed by all at all times

- Observance of physical distancing (of 6 feet), use of face covers/masks, frequent hand wash/ hand sanitization and respiratory etiquettes.
- Self-monitoring of health.
- Installation & use of AarogyaSetu App.

(ii) Measures specific to Parliament House

- i. Provision for testing, isolation and referral shall be made at the designated medical unit/identified areas in parliament house complex. All parliamentarians, officers and staff to be tested 96 hours before commencement of the session and later at any point of time, if symptoms develop. This also applies when Parliament resumes operations after the period of recess.
- ii. Provision for rapid antigen test shall be made available at reception/ other identified areas for Parliamentarians those who come without a negative RT-PCR test report. In case of negative RAT report, for a symptomatic person, a re-test must be done for RT-PCR.
- iii. Officers/staff who had COVID-19 disease and subsequently tested negative (in last 3 months), are not required to get tested, however they should carry the discharge certificate for the same.
- iv. Only asymptomatic parliamentarians, officers and staff shall be allowed inside the parliament house. No one from active containment zone to be allowed entry.
- v. All parliamentarians who are at higher risk i.e. more than 65 years, pregnant women, those with co-morbidities, immuno-compromised including HIV patients, transplant recipients, or those suffering from cancer to take extra precautions.
- vi. Use of face covers/masks/ thermal scanning/ hand sanitization to be mandatory prior to entry.
- vii. Limit entry of officials; and avoid visitors.
- viii. Only vehicles of the parliamentarians and senior officers to be allowed inside Parliament and disinfected on daily basis. Drivers needs to be segregated and not allowed to gather in closed spaces.
- ix. Seating arrangement to be made in such a way that adequate physical distancing is maintained with in the hall. Meetings, as far as feasible, should be done through video conferencing.
- x. Proper crowd management during press briefings to be ensured.
- xi. Proper cleaning and frequent sanitization of the workplace, all common areas, lavatories, drinking and hand washing stations/areas with repeated disinfection of frequently touched surfaces to be ensured.
- xii. For air-conditioning/ventilation, the guidelines of CPWD shall be followed.
- xiii. Proper disposal of face covers / masks / gloves left over by visitors and/or employees shall be ensured in covered bins.
- xiv. In the cafeteria/canteen/dining halls COVID appropriate behavior, as detailed above, shall be followed. Staff / waiters to wear mask and hand gloves and take other required precautionary measures.

(iii) Measures to be taken on occurrence of individual case

- a. The medical unit at the Parliament may designate a team to advice in case a suspect case is reported.
- b. Immediate isolation must be ensured in designated area.
- c. Case finding and contact listing of each positive case by designated public health authority.
- d. Sanitization of the premises as per protocol.

(iv) Disinfection measures to be taken on occurrence of cluster of cases.

- i. If a small cluster of 2-3 cases is reported, the disinfection procedure will be limited to places/areas visited by the patients in past 48 hrs. Work can be resumed after disinfection as per laid down protocol.
- ii. However, if there is a larger outbreak, the specific building/specific block reporting such outbreak of cases will have to be closed for 48 hours after thorough disinfection.

4
**GUIDELINES FOR OFFICERS/STAFF OF MINISTRIES ATTENDING PARLIAMENT
FOR BUDGET SESSION**

- i. All officers and staff required to visit Parliament house should be tested 96 hours before commencement of the session. This also applies when Parliament resumes operation after period of recess.
- ii. However, those who have any symptoms subsequently must get tested again upon onset of symptoms, and physically isolate themselves till the report is received.
- iii. ✓ Officers/Staff who had CoVID – 19 disease and subsequently tested negative (in last 3 months), are not required to get tested, however they should carry the discharge certificate for the same.
- iv. Provision has been made in four designated government hospitals for RT-PCR testing of officers and staff. The list with details is at as below.
- v. ✓ Those who are CGHS beneficiaries may also avail the testing facilities through labs empanelled with CGHS by obtaining prescription. The cost will be reimbursed by respective offices.
- vi. All officers and employees who are at higher risk i.e. pregnant women; those with underlying co-morbid conditions such as diabetes, hypertension, cardiac disease, chronic lung disease, cerebral vascular disease, chronic kidney disease, immune suppression and cancer to take extra precautions.
- vii. Use of face covers/mask/ hand sanitisation must be there at all times.
- viii. Designated vehicles officers and staff may be identified for entry into Parliament. The vehicle should be sanitised before entry into Parliament.

Do's and Don'ts for COVID 19

There is a surge of COVID-19 cases across world. In this scenario India has been showing a declining trend of COVID cases for last few months. However, the threat is not yet over, and we must remain even more vigilant and cautious now to ensure that the cases do not go up.

Here is a gentle reminder for the Do's and Don't for COVID 19:

Do's
<ul style="list-style-type: none"> Practice frequent handwashing with soap and water for 40 seconds. Wash hands even if they are visibly clean.
<ul style="list-style-type: none"> If soap and water is not available, then use 70% alcohol based sanitizer
<ul style="list-style-type: none"> Please wear mask/ face-cover at all times
<ul style="list-style-type: none"> Please change the mask every 8 hours, or if it gets wet/dirty.
<ul style="list-style-type: none"> Please maintain a minimum distance of 6feet between two persons
<ul style="list-style-type: none"> Cover your nose and mouth with handkerchief/tissue/elbow while sneezing or coughing
<ul style="list-style-type: none"> Throw used tissues into closed bins immediately after use and then wash hands or use hand sanitizer
<ul style="list-style-type: none"> Get tested for COVID-19 at designated areas at Parliament house or in your constituency 72 hours before attending Parliament.
<ul style="list-style-type: none"> Install and use AarogyaSetu app
<ul style="list-style-type: none"> Ensure cleaning and frequent sanitization of your workplace and residence, particularly daily disinfection of the frequently touched surfaces.
<ul style="list-style-type: none"> Self-monitor your health. See a doctor if you are unwell(fever, cough, difficulty in breathing)
Don't's
<ul style="list-style-type: none"> Sit in car or in other closed rooms without mask or adequate ventilation
<ul style="list-style-type: none"> Touch the front portion of the mask. If done accidentally, sanitize your hand immediately
<ul style="list-style-type: none"> Touch your eyes, nose and mouth with unwashed or un-sanitized hands
<ul style="list-style-type: none"> Have crowding in your rooms/residences
<ul style="list-style-type: none"> Attend Parliament House if you have symptoms suggestive of COVID-19 or are in close contact with someone diagnosed with COVID-19
<ul style="list-style-type: none"> Delay seeking immediate care if suffering from symptoms suggestive of COVID-19
