

CENTRAL POLLUTION CONTROL BOARD  
[BUILDING DIVISION]

CO-99/3/2021-BLDG-HO-CPCB-HO

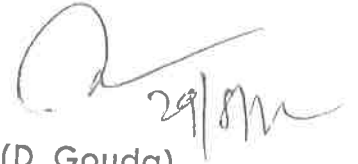

Date: 29.08.2022

CIRCULAR

A "Mock Drill" exercise is planned on 30.08.2022 at 04: 00 PM to check the functioning of all fire alarm and firefighting system installed in the Building. During the exercise, an alarm will be raised on the scheduled time of "Mock Drill" and every officials have to vacate their place/seat and be assembled at the assembly point (in front of main entrance). An announcement will be made before the Mock Drill.

A live demonstration is also being organised for operation of "Fire Extinguisher and Fire Fighting System". This is being conducted with objective to educate, in case of any fire emergency.

All are requested to kindly cooperate.
