

Public Notice

Portal for grant/renewal of EPR Authorization/Registration under the E-Waste (Management) rules, 2016 has been made operational and available at following URL: <https://eprewastecpcb.in/>

Henceforth w.e.f 19.10.2022 the EPR-Authorization / PRO-registration / Registration of - Service providers/ Bulk-consumers/ Manufacturers will be done only through this portal.

All the stakeholders namely Producers, PROs, recyclers, dismantlers, refurbishers, manufactures and bulk consumers are required to register on this portal to get login credentials. After login, user instructions will be available, which shall be referred prior to filing application on this portal.

Note for Producers

After login, Producer is required to look at the menu on the left of the screen, to check whether their service providers (PRO/ Recycler/ Dismantlers) are already registered on this portal. If not, they shall ask their service providers to get registered on the portal. In the absence of the details of service providers in their application, the application for EPR-authorization shall be considered as incomplete.
