Notice

Subject: "Removal of Difficulties" for implementation of EPR Guidelines for Plastic Packaging

This is in continuation of Notice dated April 03, 2023, April 19, 2023, May 5, 2023 & May 19, 2023 issued by CPCB on the subject and the Sixth Amendment to PWM Rules, 2016 issued by MoEF&CC vide Notification dated April 27, 2023.

The following measures have further been taken for "Removal of Difficulties" and facilitating effective implementation of EPR Guidelines:

1. Provisions for accounting for Plastic packaging sold by producers to unregistered Brandowners, for assessment of EPR Target, have been made on the EPR Portal. Provisional EPR Target shall be generated at the time of Registration and the final EPR target shall be provided during the annual return filing based on provision of complete details of sale to unregistered Brandowners. Such provisions shall be valid for Producers who register upto June 30, 2023.
2. The timeline for supply of plastic raw material by plastic raw material manufacturers to unregistered producers falling in MSME category has been extended up to June 30, 2023, and the supply may be done on proof of submission of application for Registration on the EPR portal.

All PIBOs/PWPs are required to follow the aforementioned for effective implementation of EPR Guidelines.
