### Water Laboratory

Delhi – 110032

### XXXVI<sup>th</sup> Analytical Quality Control (AQC) Exercise

## REGISTRATION CLOSED

Central Pollution Control Board (CPCB) is conducting XXXVI<sup>th</sup> Analytical Quality Control (AQC) exercise for Environmental Laboratories recognised under E.P. Act 1986 for Physico – Chemical parameters (in Water Matrix).

The environmental Laboratories recognised under provisions of E.P. Act, 1986 and laboratories of SPCB's/PCC's who have communicated their willingness to participate in the 36<sup>th</sup> AQC Exercise along with participation fee and those which were informed to submit the AQC participation Fee to the 'CPCB AQC Participation Fee' Bank Account will be listed shortly for participation in the Exercise.

No more inclusions in the exercise will be considered and those laboratories which have not been informed for Fee transfer shall not transfer Fee to said account or any other Account.
