

**Central Pollution Control Board**

**IT Division**

**Circular**

**Date:28-03-2023**

**Subject: Testing of upgraded network in CPCB, HO.**

This is to inform that a major overhaul of network is under final stage of completion wherein internet backbone will be switched from CAT to fibre optical cable. The shifting has been scheduled on **1<sup>st</sup> April, 2023 (Saturday)**, during which the entire network will be switched off and switched on with optical fibre. This process involves testing of internet in multiple computers in each division at different floors between **02 pm to 06 pm (1<sup>st</sup> April, 23)**.

In view of above it requested that the concerned Divisional Heads may depute atleast one official from respective Divisions to attend the office to test the internet during above period.

(Divisional Head, IT)

Copy to:

1. PS to CCB: for kind information to CCB please
2. AO to MS: for kind information to MS please
3. All Divisional Head: with a request to depute atleast 01 official
