

**Central Pollution Control Board
Environmental Training Unit**

F.No. B-13011/Student Trg./ETU/2018/ 2749

Dated: 09.03.2018

CIRCULAR

Regular Requests are being received from various Engineering Colleges/Universities/ Institutes to impart training for their students for four to six weeks including few, for five to six months duration at CPCB during Summer/Winter Vacations as training/internship/dissertation programme being mandatory for awarding degree especially in the field of Environmental Assessment & Control of Pollution. Moreover, imparting training is helpful to the students to enhance their knowledge and awareness in the environmental issues.

In order to facilitate the training programmes, all Divisional/Sectional Heads are requested to inform the number of such students can be accommodated in the year 2018 in the on-going and proposed projects in the following proforma to the undersigned latest by 26.03.2018. The final list will be prepared with the approval of the Competent Authority, CPCB.

S. No.	Name of the Division	Project/Activity proposed to deploy	No. of Students	Name of the Supervisor
1.				
2.				

This issues with the approval of the Member Secretary, CPCB.

(M. Varghese) 09/3/2018
