

Central Pollution Control Board
(Environmental Training Unit)

F.No. B-13011/Student Trg./ETU/2018 1628

Dated: 29.11.2018

CIRCULAR

Regular Requests are being received from various Engineering Colleges/Universities/Institutes to impart training for their students for four to six weeks including few, for five to six months duration at CPCB during Winter Vacations as training/internship/dissertation programme being mandatory for awarding degree especially in the field of Environmental Assessment & Control of Pollution. Moreover, imparting training is helpful to the students to enhance their knowledge and awareness in the environmental issues. About **Fifty applications** of the students of various institution were received for the winter Session.

In order to facilitate and accommodate the intern students to provide training on the various topics of ongoing projects of the division, all the Divisional Heads are requested to accommodate the intern students in the division for the year 2018-19. Provide the following information to the undersigned latest by 03-12-2018.

S. No.	Name of the Division	Project/Activity proposed to deploy	No. of Students	Name of the Supervisor
1.				
2.				

This is with the approval of the Member Secretary, CPCB.

(Abhey S. Soni)
Divisional Head
Environmental Training Unit
