

NOTICE FOR EPR REGISTRATION
(As per provisions 9 (1&2) & 13(2) of PWM Rules, 2016, as amended 2018)

As per provision, 9(1&2) of PWM Rules, 2016, as amended 2018, "The producers, within a period of **six months** from the date of publication of these rules, shall work out modalities for waste collection system based on Extended Producers Responsibility (EPR) and involving State Urban Development Departments, either individually or collectively, through their own distribution channel or through the local body concerned"; and "Primary responsibility for collection of used multi-layered plastic sachet or pouches or packaging is of Producers, Importers and Brand Owners who introduce the products in the market. They need to establish a system for collecting back the plastic waste generated due to their products. This plan of collection to be submitted to the State Pollution Control Boards while applying for Consent to Establish or Operate or Renewal. The Brand Owners whose consent has been renewed before the notification of these rules shall submit such plan within **one year** from the date of notification of these rules and implement with two years thereafter".

In 2018, the PWM Rules was amended. According to provision 13(2) of PWM Rules, 2016, as amended 2018, "Every producer or brand-owner shall, for the purpose of registration or for renewal of registration, make an application in **Form-I** to:-

- i. **The concerned State Pollution Control Board or Pollution Control Committee of the Union territory, if operating one or two States or Union Territories; or**
- ii. **The Central Pollution Control Board, if operating in more than two States or Union Territories";**

According to Rules 9(1&2) and 13(2) of PWM Rules, 2016, as amended 2018, CPCB has prepared a Checklist for registration of EPR for the Brand-owners(BO), Producers & Importers while, CPCB evolved an *Online Registration Portal* w.e.f. August, 2018; Subsequently, number of BOs/Producers applied through online facility and uploaded the necessary documents as per Checklist. CPCB after evaluating the applications, issuing registration certificate to BOs/Producers with EPR targets, who are fulfilling the criteria as per the EPR checklist issued by CPCB. The list of BOs/Producers is available on CPCB's website and updated time to time.

It has been observed that a number of companies/firms are using plastics packagings (MLP & Other Plastic) for packing different items which fall under the category of Brand-owner/producer, have not registered their EPR Action Plan for disposal of MLP & other plastic waste through online portal of CPCB till date. A tentative list of defaulters is **annexed**.

Now Therefore, the **addressees**, being the Company and its Officers in the abovesaid list or **beyond the list** are hereby informed to submit their application at the earliest, failing which action as deemed fit under the Environment (Protection) Act, 1986/ National Green Tribunal Act 2010, will be initiated against defaulters.
