Sub.: - Forwarding of Applications for Employment Outside CPCB – reg.

The Government of India has issued guidelines on Forwarding of Applications for other Employment. Ordinarily, every Government servant is permitted to apply for an outside post even though he may be holding a regular post but this should not be done more than four (4) times in a year. In cases where Government servants apply for posts in response to UPSC/SPSC advertisements, it shall not be counted against the four time in a year restriction. If, however, a Government servant desires to apply for a post in a private concern, particularly in an organization with which he has had dealings in his official capacity, he should first offer to resign or retire from Government service.

02. The above guidelines are for information and compliance by the employees of CPCB.
03. This issues with the approval of the Competent Authority, CPCB.
