

**Central Pollution control Board  
(Material Section)**

C-445014/01/2019-20/Mat-793

Dated:16-7-2019

**CIRCULAR**

**Sub:- Customise use of colour tonner cartridges for colour printing**

It is observed that expenditure on procurement of colour tonner cartridges has increased many folds. The Competent authority has taken a serious view while approving the expenditure of colour tonner cartridges for different sections, as the cost of colour cartridges is much higher than black cartridges. For curtailment of expenditure, all Divisional Heads are requested to advise their staff to take colour print whenever it is so needed for economical use of colour cartridges

This is being issued with the approval of Competent authority, CPCB

(Ashok Kashyap)  
Admn. Officer (M)
