Sub.: Invitation of quotation for supply of "SS Fume Hood for Atomic Absorption Spectrophotometer (AAS) with Aluminium flexible pipe joint for suction pump" at CPCB, RD, Vadodara reg.

Single bid sealed quotation is invited from your Company/ Firm by Central Pollution Control Board Regional Directorate, Vadodara for supply of one SS Fume Hood for Atomic Absorption Spectrophotometer (AAS) with Aluminium flexible pipe joint with suction pump having high durability, tensile strength and resistivity to adverse conditions i.e. sturdy enough for adequate suction of fumes. The general terms and conditions are as follows:

Terms and conditions:

1. The rate quoted should be net i.e. inclusive of all taxes, freight charges, workmanship, etc. No increase in rate shall be allowed after submission of bid. The rates should be quoted in figures as well as in words.
2. Price quoted should have detail of particulars viz. rate, taxes, freight charge, workman charge, etc.
3. The indicative specification given in **Annexure-1** should be strictly adhered. Any sub-standard material will be rejected.
4. The installation and performance testing of fume hood for proper functioning will be within the scope of supplier. The bidder/s should be competent enough to supply, erect and integrate the SS Fume Hood for Atomic Absorption Spectrophotometer (AAS) with Aluminium flexible pipe joint for suction pump.

P. Gogoi

5. The bidder/s must have all kinds of registrations under appropriate authorities. They should also produce enough documents to prove their good track records in the field of fabrication and supply of similar items to the reputed laboratories.
6. The rate quoted should be valid for at least three months from the date of opening of the quotation. Rate quoted for a shorter period i.e. less than three months from the date of opening of quotations will be rejected. However, the extension of validity of the quotation beyond three months will be subject to mutual agreement between competent Authority of CPCB and the supplier.
7. The submitted bid should be properly sealed in envelope super-scribing "**Quotation for supply of SS Fume Hood of AAS**" and mentioning our letter number and last date of submission of quotation.
8. The enclosed literature with bid at a minimum should contain detail specification of SS Fume Hood of AAS with Aluminium flexible pipe, list of clients using your similar equipment's, Proof of registration of firm with appropriate authorities (shop and establishment or other), GST, PAN no. etc. All supporting documents should be enclosed with bid.
9. It should be noted that mere quoting of lowest rates will not entitle any bidder to get the order. All the terms and conditions such as specifications, validity, warranty period, post installation service provisions, etc. will be used as parameter to shortlist/ evaluate the successful bidders.
10. The **last date** of receipt of bid is **14/07/2021 at 15:00 hours** and the bid will be opened on **14/07/2021** at 16:00 hours. The bids received after the deadline will be rejected.
11. The date and time for submission of quotations or opening of bids is normally fixed but may be extended by competent authority at his/her sole discretion.
12. The removal of existing fume hood, installation of new fume hood and associated items will be within the scope of supplier/successful bidder.
13. The competent authority of CPCB reserves the right to accept or reject any or all the bids and placing the purchase order.
14. **Material supply:** All the items required to be supplied, installed and commissioned within 2 weeks of date of placing of confirmed work order by CPCB, otherwise the work order may be withdrawn. The installed fume hood should have at least **three months warranty**.
15. **Payment terms and conditions:** No advance payments shall be made. Payments shall be made through account payee cheque only and in Indian currency (rupees) after receipt of material satisfactorily and production of bills/ invoice in duplicate along with CST/GST numbers. 90% of payments will be released after installation and balance 10% will be released under 3 month after completion of installation with satisfactory performance.

P. Gogoi

16. **Post installation Service:** The competent servicing engineer of the supplier will have to attend any malfunctioning of installed items after completion of 3 month performance period.
17. The bidder have to indicate the by back offer for presently installed fume hood except the suction pump. The bidder may visit the laboratory of CPCB on any working day from 11:00 hour to 17:00 hour to see the presently installed items and having idea of installation requirements before the last of bid submission.
18. **Correspondences:** All communication/ materials dispatch should be in the name of **The Regional Director, CPCB, RD (West), Opposite VMC Ward Office -10, Hariom Nagar, Subhanpura, Vadodara.**
19. All correspondences other than quotation may be made either through courier or registered/ speed post/ email. The email address is westzonecpcb@yahoo.com. The quotation must be submitted strictly in sealed envelope either personally or through post. Transition loss or delay of any kind in sending the quotations/ materials will be the sole responsibility of bidders.
20. **Clarifications and dispute:** All typographical errors are subject to corrections. In case of any dispute the decision of Chairman, CPCB will be final and binding on both the parties.

Sincerely,

(Prason Gargava)
Regional Director
