

**Minutes of the 11th meeting of the Sub-committee for operationalization of Graded Response
Action Plan (GRAP)
January 21, 2022**

Eleventh meeting of the Sub-committee on Graded Response Action Plan (GRAP) was convened on January 21, 2022 via video conferencing. The meeting was chaired by Dr. Prashant Gargava, Member Secretary, Central Pollution Control Board (CPCB) and chairperson of the Sub-committee. The list of participants is annexed (Annexure I).

MS, CPCB briefed that AQI has been in 'Very Poor' category since past few days and currently is about 350. Therefore, the meeting is being convened to review meteorology and air quality forecast in the coming days. Subsequently, Dr. V.K Soni, apprised the Committee that there is likely rain tomorrow along with moderately high wind speed. He also informed that air quality is likely to improve during next one week significantly.

In view of the above, the Sub-Committee suggests no additional measures.

Meeting ended with thanks to the chair and from the chair.
