

SUB-COMMITTEE ON GRADED RESPONSE ACTION PLAN

A-19014/45/CAQM-GRAP/2020-21

February 16, 2022

ORDER

Sub.: Implementation of Graded Response Action Plan in Delhi-NCR- steps to be taken

The Sub-Committee, as authorized by Commission for Air Quality Management in NCR and Adjoining Areas, vide its Orders dated October 7, and October 14, 2021 is responsible for operationalization of Graded Response Action Plan and for issuing necessary orders to effect.

Sub-Committee has been reviewing meteorology and air quality forecast and has issued Orders for implementation of measures under GRAP from time to time. The measures under 'Very Poor' category of GRAP including banning the use of diesel generator sets (except for emergency services) in Delhi-NCR were in force vide Sub-Committee's Order, dated, October 28, 2021.

It was observed that AQI has been in 'Moderate to Poor' category in the last 4-5 days, and a meeting was convened on February 16, 2022 to review the status. As per the inputs received from representative, IMD during the meeting, air quality in Delhi-NCR is not likely to reach into 'Very Poor' category and expected to be better in the coming days due to improved meteorological conditions favoring dispersion of pollutants.

Based on this forecast and prediction, Sub-Committee on GRAP has decided that the measures under 'Very Poor' category of GRAP including ban on use of diesel generator sets in Delhi-NCR be lifted with immediate effect.

Further, following measures need to be continued:

1. State Pollution Control Boards/Pollution Control Committees to ensure that large construction sites are adhering to prescribed norms/guidelines and taking adequate measures for dust management.
2. Implementing agencies should be vigilant and ensure quick actions including redressal of complaints on SAMEER and other Social media platforms to curb polluting activities.

3. Implementing agencies to continue to take intensified actions in hotspots.
4. Waste (C&D debris, plastic waste, MSW) dumped on open land and roadside must be cleared.
5. Strict enforcement of all pollution control regulations in industries.
6. Strict enforcement of rules on/ stop garbage burning in landfills and other places.
7. Strict enforcement of pollution control norms in thermal power plants through PCB monitoring.
8. Carry out periodic mechanized sweeping especially on roads with heavy traffic.
9. Strict vigilance and no tolerance for visible emissions-stop plying of visibly polluting vehicles by impounding or fines.

The order shall come into force with immediate effect.

It is requested that necessary steps are taken to ensure compliance.

(Prashant Gargava)
Chairperson of Sub-committee
and MS, CPCB
