

SUB-COMMITTEE ON GRADED RESPONSE ACTION PLAN

A-19014/45/CAQM-GRAP/2020-21

May 04, 2022

ORDER

Sub.: Implementation of Graded Response Action Plan in Delhi-NCR- steps to be taken

The Commission for Air Quality Management in NCR and Adjoining Areas, constituted a Sub-committee for operationalization of Graded Response Action Plan (GRAP) and issuing necessary orders to the effect, vide Order dated October 14, 2021.

The Sub-Committee convened a meeting on May 04, 2022 to review the current air quality status of Delhi-NCR. As per the inputs received from representative of IMD during the meeting, it is informed that air quality over Delhi-NCT is likely to remain in Poor category for the next few days as strong winds are likely to cause re-suspension of dust over NCR, parts of Rajasthan, Gujarat, and UP.

Based on air quality and meteorology forecast and the decision taken by the Sub-Committee in the meeting, concerned implementation agencies are directed to intensify dust control measures such as mechanized sweeping especially on roads with heavy traffic, enforcement of prescribed dust mitigation measures/guidelines at large construction sites and management of C&D waste. In addition, actions may also be intensified for enforcement of prescribed emission norms in industries, actions against visibly polluting vehicles, open dumping and burning of waste, burning in landfills, and quick redressal of complaints on Sameer App and other social media platforms.

The order shall come into force with immediate effect.

It is requested that necessary steps are taken to ensure compliance.

(Prashant Gargava)

Chairperson of Sub-committee
and MS, CPCB
