OFFICE ORDER

Sub.: Expert Committee on Bio-medical Waste Management - reg.

1.0 Background:

The second amendments to the Bio-medical Waste (Management & Handling) Rules, 1998, dated 02/6/2000 states that "the occupier/operator of a facility wishing to use other state-of-the-art technologies (i.e other than incinerator/autoclaving/microwaving/shredder) shall approach the Central Pollution Control Board (CPCB) to get the standards laid down to enable the prescribed authority to consider grant of authorization".

The expert committee is, therefore, re-constituted for the purpose of evaluation of the technologies proposed by the occupier/operator of a common Bio-medical waste treatment facility and also for taking recommendation of their suitability for treatment of bio-medical waste including the standards, wherever necessary.

The terms of reference and composition of the committee are as below:
