Sub: Non implementation of dynamic emission limit for OCMES in Oil Refineries

Ref: This office Letter No 16228-16241 dated January 10,2018

Sir,

This has reference to the above cited subject and letter wherein you were requested to submit the compliance report by February 10, 2018.

The competent authority of CPCB decided to implement the dynamic emission limit by September 30, 2018 beyond which environmental compensation charges will be imposed till the compliance is achieved without giving any opportunity.

Yours faithfully,

(Gurnam Singh)
