F. No. B-17011/7/PWM (Comp)/2020

Dated: 11.01.2021

To,

All Manufacturers/Sellers
(As per list)

Sub: - Regarding Extension of validity of Certificates issued by CPCB under 4(h) of PWM Rules, 2018 for marketing and selling of compostable carry bags.

Sir/Madam,

This has reference to CPCBs letter of even No. dated 28.07.2020 vide which validity of certificate issued by CPCB expiring during period of March-December, 2020 was extended up to December 31, 2020.

CPCB is in receipt of representations from various manufacturers of compostable bags citing difficulty in submission of documents required for issue / renewal of Certificate to CPCB due to COVID pandemic.

The matter has been considered by CPCB and it is to inform that the validity of the certificate issued by CPCB expiring during the period of January-March, 2021 is hereby extended up to March 31, 2021. The list of units whose validity of certificate has been extended (inclusive of your unit) is enclosed with the letter.

This issues with approval of competent Authority.

Yours faithfully,

Divya

(Divya Sinha)

Additional Director & I/c UPC-II
